

# Outreach Donation Needs

## Outreach Bath Bag

A bath bag is given to a woman who desires to clean up or shower at the drop in. We provide the towel. **Pre-packaging these items in a gallon size Ziploc bag (one of each item)** and labeled "Bath Bag" ready to be distributed to the women is very helpful. As noted below, the size should be clearly marked on the outside of the bath bag..

- Toothbrush & paste
- Deodorant
- Razor
- Washcloth
- Shampoo and Conditioner (hotel size is fine)
- Small bar soap
- Small lotion (hotel size is fine)
- Candy: mints (tic-tac or lifesavers, Mentos or wrapped peppermints)
- Under-panties (one new pair with the size clearly marked on the outside of the gallon bag)
- Optional items:
  - snack/sandwich size bag with a few Q-tips, cotton balls, emery board, safety pin, Band-Aid
  - small mouthwash
  - pair of socks
